

“Annual Logansport Chamber of Commerce Sand Bass Tournament”

The Logansport Chamber of Commerce is proud of its Annual event that will be held on Toledo Bend Reservoir each year.

This traditional event, which is highlighted by the Friday Night Fish Fry, held on the Logansport Riverfront each March, the night before the tourney, has proven to be an area wide event with teams from all over North Louisiana and East Texas participating.

None of this would be possible without the support of our area patrons who continually support this worthwhile event. Individual and Business sponsorships have proven to be one of the driving forces in the success of this event, and your support is appreciated.

Sponsorship Divisions:

Bronze-- \$ 250 or more is a part of all print advertising and complimentary tickets to Friday’s Fish Fry.
